About the Journal

Journal of Social Issues and Development is triannual (3 regular issues per year), is an open-access, and peer-reviewed journal published by the *Himalayan Ecological research Institute for Training and Grass Roots Enhancement*. In the realm of scholarly discourse, the *Journal of Social Issues and Development*, published by Heritage, emerges as a pivotal platform dedicated to the exploration and analysis of critical facets within the expansive domains of social sciences and human development.

Recognizing the intricate interplay between societal issues and the dynamic process of development, this journal stands at the forefront of intellectual inquiry, fostering a multidisciplinary dialogue that transcends traditional boundaries. The journal aims to provide an active forum for analysis, research, and debate in a broad range of fields. As an authoritative publication under the esteemed Heritage banner, this journal is committed to advancing our understanding of contemporary social challenges and developmental paradigms. It serves as a conduit for rigorous research, insightful commentary, and innovative perspectives from leading scholars, researchers, and practitioners.

The editorial ethos of the *Journal of Social Issues and Development* reflects Heritage's commitment to excellence, academic integrity, and the dissemination of knowledge that contributes meaningfully to societal progress. Readers can anticipate a diverse array of topics within the journal's purview, encompassing sociology, psychology, economics, political science, and other pertinent disciplines. The peer-reviewed articles featured herein not only illuminate emerging issues but also provide evidence-based insights that contribute to the ongoing discourse on social development.

We invite scholars, practitioners, and enthusiasts alike to explore the *Journal of Social Issues and Development* as it unfolds, page by page, offering a rich tapestry of ideas and perspectives that collectively shape our understanding of the intricate tapestry of social issues and development in the contemporary world.

Message

Dear Readers, Contributors, and Colleagues,

It is with great pleasure that I present to you Volume 2, Issue 2 of the *Journal of Social Issues and Development*. This issue marks another significant milestone in our journey to advance the understanding and exploration of pressing social issues and developmental challenges across the globe.

In this edition, we have curated a selection of articles that delve into diverse topics, ranging from social equity, Social Media, and community development to the psychological impacts of social change. Each contribution is a testament to the rigorous research and thoughtful analysis that our authors have invested in, shedding light on issues that are both timely and critical in today's world.

I would like to extend my deepest gratitude to our authors, reviewers, and editorial board for their dedication and hard work. Your contributions are the backbone of this journal, and without your commitment, this issue would not have been possible.

We continue to strive for excellence in publishing research that not only advances academic knowledge but also fosters meaningful dialogue and action in addressing the social issues that shape our societies. I am confident that the insights presented in this issue will inspire further research, policy development, and practical solutions.

Thank you for your continued support of the *Journal of Social Issues and Development*. I encourage you to engage with the articles in this issue, and I look forward to your feedback and future contributions.

Thank you for being a part of this incredible journey.

Warm regards,
